THE IDEAL KITCHEN
LA COCINA IDEAL

- Tailor made kitchens
- From design to completion

Ideal Kitchen offer a quality and professional service to design and fit your new kitchen. Our expert technical team will make your dream a reality. We have all types of materials and finishes, from doors to surfaces of the highest quality and great prices.
Come and visit our showroom.

We also have a large range of laminate flooring and special flooring for kitchens and bathrooms.

We can also construct tailored wardrobes with a large variety of finishes and designs.

THE BOILER CENTRE

- Sale and installation of boilers
- Maintenance and repairs

We understand how inconvenient and frustrating it can be when a boiler breaks down, and therefore we endeavour to react on an urgent basis to ensure that a replacement boiler is fitted within a same day turn around.

Our prices are undoubtedly the best in Gibraltar and in Spain and if fitted by us, not only do our clients benefit from reduced prices and professional fitting, we also offer a ***'no additional fitting charge'*** should the boiler break down within the year's guarantee period.
